Signature Site

Global Citizen is actively planning to still hold a Signature Site event at Girard College on January 18, 2021 as part of the 26th annual Greater Philadelphia Martin Luther King Day of Service. The event will be exclusively focused on providing health resources to the community, including COVID-19 testing, flu shots, and a socially distant Health & Wellness Fair.

Global Citizen is also planning virtual programming including the 10th annual Jobs & Opportunity Fair and one or more community conversations around this year's theme ***Justice and the COVID-19 Health Crisis***.

More information about how to sign up for these events will be provided at a later date.
