

22nd Annual Greater Philadelphia Martin Luther King Day of Service

REFLECTION GUIDE

Before you begin your project or program, consider the following values: how to these values relate to the life and legacy of Dr. Martin Luther King Jr?

***Vision
Integrity
Peace***

***Justice
Community
Education***

At the end of your day of service, join together for a brief reflection circle. To promote more intimate discussion, we recommend groups of twenty or less. It is important to let volunteers know that this is a safe space where what they share will be respected and kept confidential.

Share your responses to some of the following questions:

How did your participation in the King Day of Service relate to the above values?

If you were to pick a value to focus on upholding throughout the year, which would you pick and why?

How might your service today affect the lives of other people?

How will you continue to serve?
